Thank You for Supporting Hunter's Wildlife

The NATF ^{INC} Hunter Wildlife Rescue would like to thank you for calling us about an injured animal and taking caring of it until our arrival. Your positive action gave our wildlife a second chance and helped it into early rehabilitation. Our goal is to return all wildlife back to the wild when fit and able to fend for themselves.

If you would like to assist our wildlife a little further you might consider sending a donation to:-

Friends of the NATF ^{INC}
PO Box 1052
Toronto. 2283

OR you can donate ONLINE: www.hunterwildlife.org.au

All donations \$2.00 and over are tax deductible.

We would be most grateful for this extra help, as the NATF Inc. is a volunteer organisation. It will aid us in paying for some of the variety of food products we need to feed our native birds and animals and also the many VET bills to help mend some of their injuries they sustain from motor vehicles, dog and cat attacks, storms and bushfires.

Thank you for caring,

Regards

Audrey Koosman

President, NATF ^{INC} Hunter Wildlife Rescue
